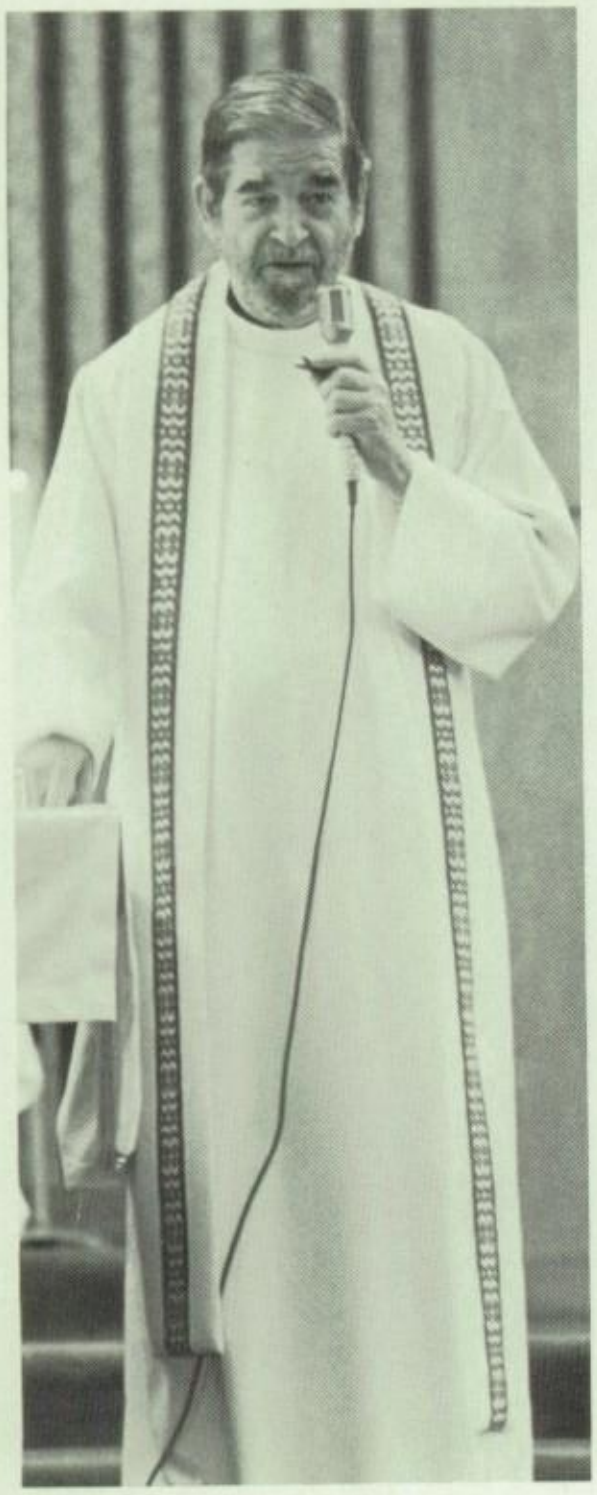
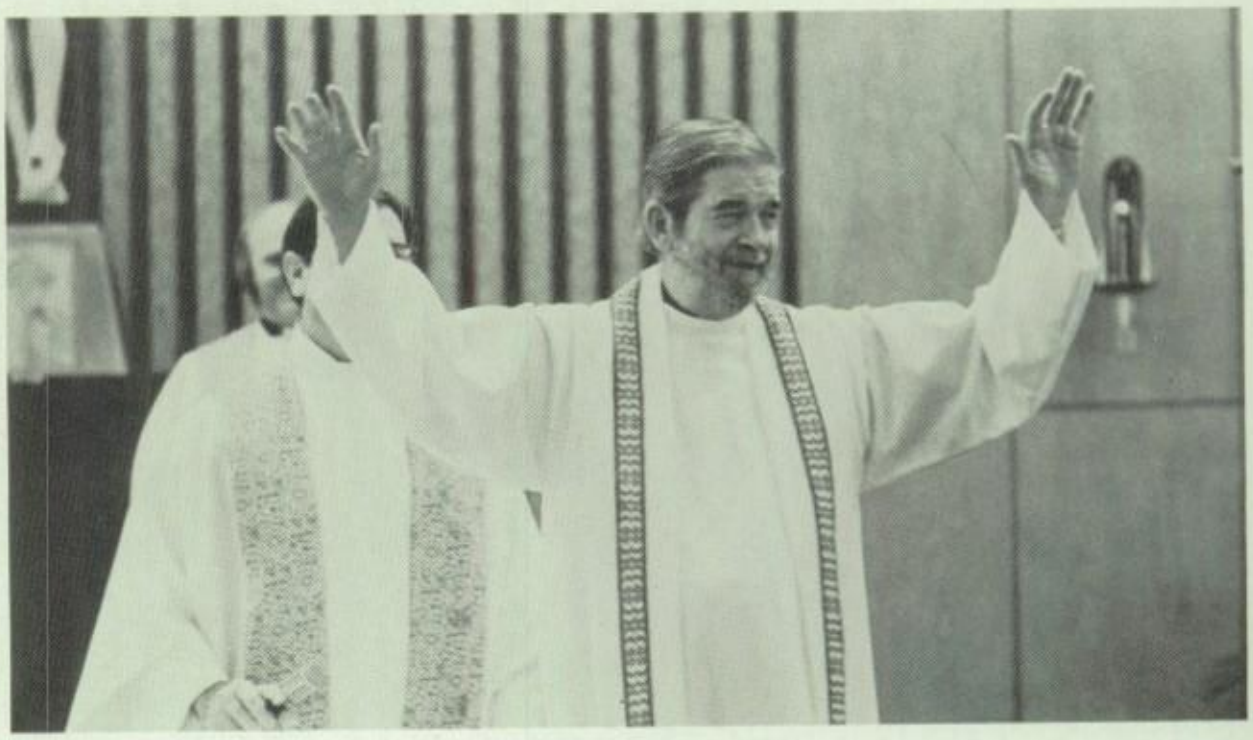
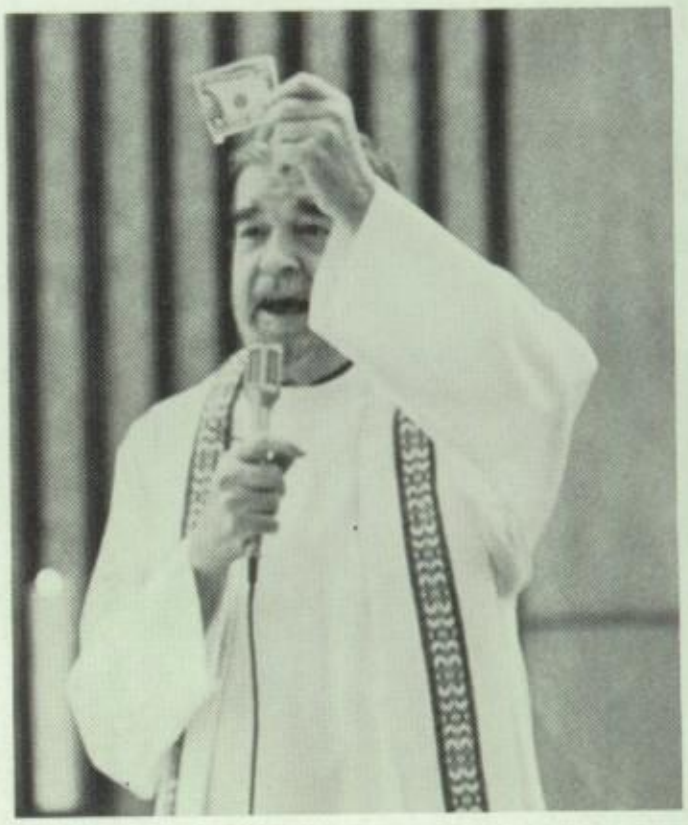
Oktoberfest '80

Fr. Tynan's Golden Jubilee Celebration







It had been twenty years since his first assignment at the old Jesuit High School on Oak Lawn, and his dream of a new school was to be sealed with an extra blessing. He told the students the school would be built on Inwood Road in North Dallas. When the last brick was laid, it was to be debt free.

And here he was seventeen years later looking out over 720 students of that highly acclaimed school who were attending a mass to honor the 70-year old priest's golden jubilee anniversary in the ministry.
